Abingdon Court is a purpose-built care home specialising in the provision of residential, nursing, dementia and respite care.

We understand the importance of choice and independence, and through our experienced team's care and assistance we offer residents the freedom to do as they choose, with peace of mind knowing that all the little things are being taken care of.

With an individualised person-centred approach to care, we are passionate about making everyone feel at home – somewhere they're proud of, living life to the fullest, whilst enjoying delicious food and friendship.

Peace of mind comes as standard, our facilities include:

- Choice of comfortable lounges and dining rooms
- Our vibrant **More...** lifestyle programme with new and exciting hobbies, clubs and activities
- Locally sourced ingredients for delicious home-cooked meals
- Hair salon
- Spacious en-suite bedrooms
- Attractive landscaped garden with patio area
